### Agenda:

- Welcome
- Recap One Stop Drop. The event was a huge success collecting and diverting over 18 tons from the landfill. Approximately 325 vehicles dropped off the following items to the recyclers:
  - COHEN USA collected 9.44 tons of electronics
  - Safe Shred collected and shred 6.95 tons of paper
  - The Girl Scouts collected approximately 1,700 pair of shoes to repurpose.

The event helped move Amberley closer to reaching their 25% recycling rate goal.

Discussed future recycling opportunities that could be planned.

- Guest: Jennifer Eismeier, Executive Dir., Mill Creek Watershed Council of Communities

Jenn discussed Amberley's geography within the watershed, the role of the organization and how they can assist AV in grant identification and writing.
- Update on Meadowlands

Chief is comfortable with the meadowland principles and mowing recommendations. New mowing company is adjusting to the new mowing program. Signage could help educate the public and queue the mowers.
- Amberley Green Clearing – Season 4 - June 6, July 11, August 1, September 12, October 3
