Scot Lahrmer, Village Manager

Today is Administrative Professionals Day and a great opportunity for us to recognize the contributions of the Village's support staff. This day calls attention to the important workplace role of administrative professionals. Thanks for all that you do! We all rely on you and couldn't do our jobs without you!

Mother's Day is Sunday, May 11. Remember to honor your Mom on this special day.

Offices will be closed Monday, May 26 for the Memorial Day holiday.

Employee Celebrations

<u>May Birthdays</u>		<u>May Anniversaries</u>	
James Drake	May 7	Josh Caudill	May 4 9 Years of Service

Congratulations to Patty Meiers who was selected to fill the full-time Tax Administrator position. Patty has worked part-time capacity for the Village since April 2012 and brings municipal and private sector experience to the Village.

Good Work!

A Village resident couldn't heap enough praise on how well Maintenance delivered a load of wood chips. "Prompt and didn't get a chip outside the area!" The chips were delivered the same day as requested and delivered quite well!

Cincinnati Magazine featured an article on the best sledding hill that referenced how fast the streets of Amberley are cleared during the wintertime. This compliments the maintenance department's work and reflects very well on the Village. Check out the article below!

SLEDDING SPOT: GIBSON GREETINGS HILL

Seems like every neighborhood in hilly Cincinnati has its own best sledding spot. Our favorite is on the old Gibson Greetings property at the corner of Section and Elbrook roads in Amberley Village. Families from nearby neighborhoods trudge (or drive, since Amberley clears its roads fast!) over on snow days. This spot is both big- and little-kid friendly because the grass is always mowed, so sleds go super-fast, but there's plenty of slow-down space at the bottom where the ground levels off. Parking is limited, so arrive early for a good spot! 2100 Section Rd., Amberley Village

Free Body Fat and BMI Measurement

With all the rage about BMI, if you want to know yours, there is a free service being offered by Christ Hospital. They will be on-site on Tuesday, May 13 before fire drill. This confidential service assesses your weight based on your height and gives you a number that classifies you as being overweight or obese. It is a very useful indirect measure of your body's composition because it relates highly to your overall body fat. Your weight, height and age are entered into a hand held device you for about 15 seconds to get the staff member from Christ will then do a quick results review. If you are interested, it requires a minimum of 15 employees. Please email Nicole at nbrowder@amberleyvillage.org if you would like to be included in this free confidential service.

AFLAC

A representative from Aflac will be making a brief 10-minute presentation at the morning and afternoon fire drills on June 10. This will be an opportunity to sign-up and ask questions about supplemental disability insurance products.

Cocina Limpia

What is cocina limpia? That's Spanish for clean kitchen! After all the restoration, we finally have a clean kitchen on the Admin side which means it's time for an employee lunch. And what better time to celebrate than Cinco de Mayo on Monday, May 5? Lunch will be provided but if you are eager to try a new dip or chipotle sauce, feel free to bring it along. Let's plan on eating at noon in the newly cleaned Admin kitchen.

National Police Week

National Police Week, held May 12-18, is set aside to honor those who serve in law enforcement. In 1962, President Kennedy proclaimed May 15th as National Peace Officers Memorial Day. Established by a joint resolution of Congress in 1962, National Police Week pays special recognition to those law enforcement officers who have lost their lives in the line of duty for the safety and protection of others. National Police Week is a collaborative effort of many organizations dedicated to honoring America's law enforcement community.

Taco Tuesday

For those employees who may miss out on our lunch celebrations, Taco Tuesday will be held on Tuesday, May 27 at 5:30 p.m. Come and enjoy tacos.
