

The Amberley Village Human Rights Commission promotes our community as an inclusive and welcoming neighborhood for all of its residents, businesses and visitors. Our new “Amberley Welcomes You” sign campaign is designed to increase the Village profile as a welcoming, open and vibrant community, and you can help!

The following dates are recommended for displaying your sign on your property, but out of the public right of way. The sign can be placed in your yard as early as 48 hours prior to the target date and should be displayed up to 48 hours following each event.

- Ice Cream Social
- One Stop Drop
- Election Day
- Arbor Day
- Annual Bike Safety Fair
- Other special events or occasions as indicated on the HRC page of the Amberley Village website and the monthly Village E-News (sign up at amberleyvillage.org)
