

# Amberley Village Tree & Bench Donation Program

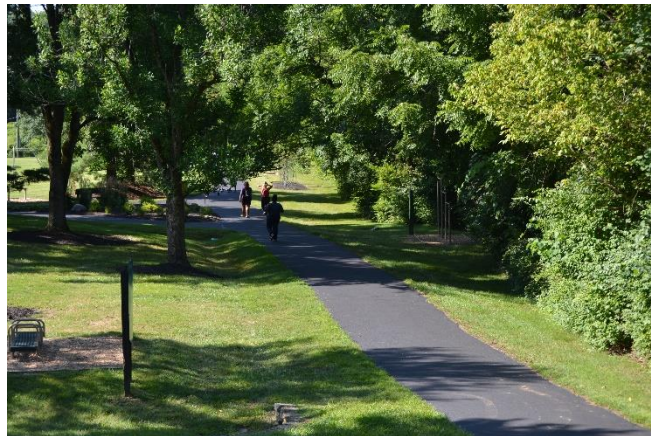

Amberley Village is well known for its abundant trees, gorgeous natural landscapes, and pedestrian-friendly, park-like spaces. Honor someone special and add to the character of the Village with the contribution of trees for shade or benches for walkers, spectators, and other visitors to rest and enjoy the scenery.

## **Remember Special People, Pets and Occasions While Supporting Amberley Village**

What better way to commemorate a loved one, special occasion or organization than through public recognition on a bench or a tree? Amberley Village Municipal Park is host to hundreds of visitors who come to walk, run and spend leisure time in the serenity of nature.

Your gift is a meaningful way to honor an important person or milestone, and a heartfelt contribution to those who will enjoy it for years to come.

Don't wait...only a limited number of spaces are available. Make sure yours is reserved today!

## Leave a Legacy or Thank Someone Special

Amberley Village now offers residents and neighbors the unique opportunity to honor someone special, remember a loved one, or to recognize a person or organization through a new Tree and Bench Donation Program.

To place an order, please complete and return the order form available in this brochure or on our site, [www.amberleyvillage.org](http://www.amberleyvillage.org).

For questions, please contact our Administration Office at 513-531-8675.

### Bench Donation

For your donation of \$3,000, the Village will install an all-weather, low maintenance bench made responsibly with recycled plastic. The bench will include a bronze and black plaque for your sentiment.

### Tree Donation

For your donation of \$1,500, a tree will be planted and cared for in Amberley Municipal Park with an acknowledgement of your choice on a plaque by the new tree.
